Adding Sub Varsity Levels

School Setup --> Levels Manager

The screenshot shows the Florida High School Athletic Association website interface. The top left features the logo with the text "FLORIDA HIGH SCHOOL ATHLETIC ASSOCIATION" and a house icon. A navigation menu on the left lists various options: Home/Calendar, Add Event, School Setup, Clearances, Teams, Contract Creator, School Directory, Score Poster, FHSAA Forms, Reports, Widgets, My Account, Help, Password, and Logout. The "School Setup" option is highlighted with a red box, and a dropdown menu is open, showing "Athletic Faculty", "Coaches", "Facilities", "Levels Manager", "School Info", "Game Reminder", "Items/Donations", "Students", and "Users". The "Levels Manager" option is also highlighted with a red box. To the right, there is a "Notifications" section and a "Year" dropdown menu set to "2017-18". A calendar widget is visible, showing dates from 17 to 27. At the bottom, there is a table with columns "Date", "Day", "Time", and "O", and a "Total Events:0" indicator.
